75/18 Open Actions not covered elsewhere on the Agenda:

a) **B4RN:** Following recent discussions between the B4RN local group and B4RN itself, Cllr Rogerson gave a detailed review of progress and plans. These include going over the river at Levens Bridge and using BT ducts for B4RN cable. Cllr. Mason reiterated his concerns about whether cabling could be laid at sufficient depth under his land and in other places given the proximity of bedrock to the surface. It was agreed that the appropriateness of routes into the village needed to be assessed and resolved by discussion between B4RN and those whose land was to be affected.

b) **Levens Village Traffic Management:** Councillors noted the recent correspondence from the school reiterating their concerns about road safety, particularly in the light of increased traffic from the Story Homes development. Cllr Bland confirmed that he was arranging a meeting between a Highways Officer and the school to consider all the options. Cllr Burrow reported that the police had indicated that this matter was of sufficient importance to take to a forum that they had established to consider problem areas, options and possible sources of funding. Cllr Burrow felt that all concerned should meet as a collective group to ensure a co-ordinated approach to resolving the issue. Cllr. Bland reaffirmed his intention to arrange a meeting between the school and Highways. It was **Resolved** that in the meantime, Cllr Burrow would follow-up with the police to establish their position on this issue.

c) **Maintenance Plan:** It was **Resolved** that Cllrs Burrow and Mason would draw-up a list of priority actions from the Maintenance Plan recently prepared and put these to Andy Banks for attention.

d) **Woodland Management Plan:** It was **Resolved** to appoint a contractor to go ahead with a tree Health and Safety Inspection. Andy Banks had been approached and was to confirm if he had the relevant qualification, failing which the Clerk would look elsewhere.

e) **WW1 Commemoration Events:** All agreed that the various commemorative events had been well-received and appreciated. The Parish Council also noted the excellent detail, presentation and success of the World War 1 Exhibition mounted by the Local History Group. Thanks were recorded to all concerned and in particular to Hal Bagot for annotating the display of poppies, Cllr Mason and his team for the Beacon of Light Event and to the Local History Group.

76/18 Correspondence: Councillors noted the schedule of correspondence circulated by the Clerk. In response to an enquiry about using low energy LED lamps in street lights it was agreed that the correspondent should be advised to refer the matter to SLDC.
