

# LEVENS VILLAGE HALL

## Health and Safety Policy (4 pages)

### GENERAL STATEMENT

Levens Village Hall Trustees (named hereafter as 'the Trustees') are committed to:

1. Providing healthy and safe working conditions, equipment and systems of work for our employee(s), volunteers, Trustees and hirers.
2. Keeping the village hall and equipment in a safe condition for all users.
3. Providing such training and information as is necessary to staff, volunteers and users.

It is the intention of the Trustees to comply with all health and safety legislation and to act positively where they can reasonably do so to prevent injury, ill health or any danger arising from its activities and operations.

The Trustees consider the promotion of the health and safety of its employees at work and those who use its premises, including contractors who may work there, to be of great importance. The Trustees recognise that the effective prevention of accidents depends as much on a committed attitude of mind to safety as on the operation and maintenance of equipment and safe systems of work. To this end, they will seek to encourage employees, Trustees and users to engage in the establishment and observance of safe working practices.

Employees, hirers and visitors will be expected to recognise that there is a duty on them to comply with the practices set out by the Trustees, with all safety requirements set out in the hiring agreement and with safety notices on the premises and to accept responsibility to do everything they can to prevent injury to themselves or others.

### ORGANISATION OF HEALTH AND SAFETY

The Trustees have overall responsibility for health and safety at Levens Village Hall. The persons delegated by the Trustees to have day to day responsibility for the implementation of this policy are:

Name: Mrs Sheila Watson [Chair]  
Telephone No: 015395 60362  
Address: Lawn Head, Lowgate, Levens, Cumbria. LA8 8NJ

Name: Mr Alan Miller  
Telephone No: 015395 60334  
Address: Grey Mists, Hutton Lane, Levens, Cumbria. LA8 8PB

The Trustees will ensure that a comprehensive risk assessment for Levens Village Hall is completed and reviewed as required by the assessment or at least annually.

It is the duty of all employees, hirers and visitors to take care of themselves and others who may be affected by their activities and to co-operate with the Trustees in keeping the premises safe and healthy, including the grounds.

Should anyone using the hall come across a fault, damage or other situation which might cause injury and cannot be rectified immediately they should inform the persons above, or the Bookings Secretary, as soon as possible so that the problem can be dealt with.

Where equipment is damaged a notice should be placed on it warning that it is not to be used and it should be placed in the kitchen storeroom.

## Safety Rules

All hirers will be expected to read the whole of the hiring agreement and should sign the hiring form as evidence that they agree to the hiring conditions. All new hirers will also be given information/training by the Bookings Secretary about safety procedures at the hall which they will be expected to follow (e.g., fire evacuation procedures, use of equipment) and will be shown the location of the accident book and health and safety file.

It is the intention of the Trustees to comply with all health and safety legislation and to act positively where it can reasonably do so to prevent injury, ill health or any danger arising from its activities and operations.

Employees, hirers and visitors will be expected to recognise that there is a duty on them to comply with the practices set out by the Trustees, with all safety requirements set out in the hiring agreement and with safety notices on the premises and to accept responsibility to do everything they can to prevent injury to themselves or others.

The following practices **must** be followed in order to minimise risks:

- **Make sure that all emergency exit doors are clear and unlocked as soon as the hall is to be used and throughout the hiring**
- **Do not** operate or touch any electrical equipment where there are signs of damage, exposure of components or water penetration etc.
- **Do not** work on steps, ladders or at height until they are properly secured and **another person is present**
- **Do not** leave portable electrical or gas appliances operating while unattended
- **Do not** bring onto the property any portable electrical appliances which have not been Portable Appliance Tested.
- **Do not** attempt to move heavy or bulky items (e.g., stacked tables or chairs) • **Do not** stack more than eight chairs
- **Do not** attempt to carry or tip a water boiler when it contains hot water. Leave it to cool.
- **Do not** allow children in the kitchen except under close supervision (e.g., for supervised cookery lessons or, in the case of older children, for supervised serving of food at functions). Avoid over-crowding in the kitchen and **do not** allow running.
- **Wear** suitable protective clothing when handling cleaning or other toxic materials
- **Report** any evidence of damage or faults to equipment or the building's facilities to the Chair.
- **Record** every accident in the accident book and report it to the Bookings Secretary.

**Be aware and seek to avoid** the following risks:

- creating slipping hazards on stairs, polished or wet floors – mop spills immediately
- creating tripping hazards such as buggies, umbrellas, mops and other items left in halls and corridors
- use adequate lighting to avoid tripping in poorly lit areas
- risk to individuals while in sole occupancy of the building
- risks involved in handling kitchen equipment e.g., cooker, water heater and knives
- creating toppling hazards by piling equipment e.g., in store cupboards.

### **Contractors**

The Trustees will check with contractors (including self-employed persons) before they start work that:

- The contract is clear and understood by both the contractors and the Trustees
- The contractors are competent to carry out the work e.g., have appropriate qualifications, references, experience
- Contractors have adequate public liability insurance cover
- Contractors have seen the health and safety file and are aware of any hazards which might arise (e.g. electricity cables or gas pipes)
- Contractors do not work alone on ladders at height (if necessary, a volunteer should be present)
- Contractors have their own health and safety policy for their staff
- The contractor knows which Trustee is responsible for overseeing that their work is as asked and to a satisfactory standard
- Any alterations or additions to the electrical installations or equipment must conform to the current regulations of the Institute of Electrical Engineers.

### **Insurance**

Give details of the company providing the hall's Employer's Liability and Public Liability insurance cover:

Name and address of insurer: Aviva

Insurance Broker: South Lakes Insurance Solutions (Tel.no.01539 723290)
